CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

**ASSEMBLY BILL**

**No. 548**

**Introduced by Assembly Member Salas**

February 20, 2013

---

An act to amend Section ~~14020~~ of the ~~Unemployment Insurance Code, relating to unemployment insurance~~; 78261.5 of the *Education Code, relating to public postsecondary education*.

LEGISLATIVE COUNSEL'S DIGEST

AB 548, as amended, Salas. ~~California Workforce Investment Board~~. *Public postsecondary education: community college registered nursing programs.*

*Existing law establishes the California Community Colleges under the administration of the Board of Governors of the California Community Colleges. Existing law establishes community college districts throughout the state, under the administration of community college district governing boards, and authorizes these districts to provide instruction at the community college campuses operated by the districts.*

*Existing law requires a community college registered nursing program that elects to use a multicriteria screening process to evaluate applicants for admission to nursing programs to include specified criteria. Existing law authorizes a program using a multicriteria screening process to use an approved diagnostic assessment tool before, during, or after the multicriteria screening process. Existing law also requires a district that uses multicriteria screening measures to report its nursing program admissions policies to the chancellor annually, in writing. Existing law repeals these provisions on January 1, 2016.*

*This bill would delete the repeal date, thus continuing the operation of these provisions indefinitely.*

~~The federal Workforce Investment Act of 1998 provides for workforce investment activities, including activities in which states may participate. Existing state law requires the California Workforce Investment Board, in collaboration with state and local partners, to develop a strategic workforce plan meeting specified requirements.~~

~~This bill would make nonsubstantive changes to this requirement.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~ yes.  
State-mandated local program: no.
